THE ROTARY PLEDGE

I do solemnly promise to help advance the object of Rotary, comply with the constitution and by-laws of Rotary International and the Rotary Club of Marikina, ever putting into practice Rotary's Motto: "SERVICE ABOVE SELF."

THE FOUR WAY TEST

Of things we think, say or do:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and better FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

PRAYER

God our Father, You are awesome and worthy of all praises.

If we find ourselves in difficult circumstances, Your words offers the surprising instruction to count it all, knowing that the testing of our faith produces patience.

We seek You Father for wisdom that we might know how to respond properly to our trials, sorrow, and pain.

And let our confidence grow by trusting and obeying our Lord and His Word.

Give us the faith of a little child—a faith that will look to You that never will falter and never fail but follow You trustingly.

As we live by faith and do what the Bible clearly tells us to do, we can be sure that You will lead us through the difficult decision and give us victory. In everything we give thanks; for this is the will of God in Christ Jesus. Amen.

Congratulations!

Rtn. Nixon Tañazana on your 1st year—Sept. 6

In Service of Rotary!

Happy Blessed Birthday!

PDG Jun Farcon—Sept. 8

Sp. Tetet Manzo—Sept. 9

VP Bernard Cansana—Sept. 10

ROTARY CLUB OF MARIKINA MARCH

Music: PP Jimmy Capco

Lyrics: Rtn. Francisco Pascual;

Arranger: Rtn. Allan SM Perez

Come sing with us for fellowship
A song of camaraderie
Then give your hand in fond friendship
To Marikina Rotary

We love to share our thoughts with you
And lavish in your company
So, come each meeting day please do
To Marikina Rotary

Refrain

Motto of SERVICE ABOVE SELF
Is not a mere phraseology
Participate with zeal and zest
In Marikina Rotary

Let us Rotarian serve all
Our beloved community
Then we can accentuate the goal
Of Marikina Rotary

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSION

As a Rotarian engaged in business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of ethical codes of my vocation, to the laws of my country, and to the moral standards of my community
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation
4. Be fair to my employees, associates, competitors, customers, the public and all those with whom I have business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents; to provide opportunities for young people; to work for the relief of the special needs of others, and to improve the quality of life in the community.
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession
8. Neither seek nor grant to a fellow Rotarian a privilege or advantage not normally accorded to others in a business or professional relationships

First Class Voyager

PRES. HERMIE DELA PAZ

Last Thursday, we had a full Rotary schedule as we listened to the eloquent declamation pieces from the 15 high school student participants of the Timpalak sa Pagsulat at Pagbigkas. Congratulations to all the winners and to our Chairman Gilbert Ong for a successful competition with the theme of the impact of social media and its good and bad effects to our daily lives.

During our weekly meeting on the same day, we signed our sisterhood agreement with the Rotary Club of San Juan led by their president, FC Pres. Ma. Therese Montecer. Several of their members were on hand to witness this occasion including PDG Pepe Peralta. Our guest speaker that night was my classmate FC Pres Nikki de Vega from RC Mandaluyong Uptown. She was a hit among our members as she talked about “Adultery, Concubinage and Anti-Violence against Women in the Law”. I will surely invite her again to our club. She mentioned to me that she enjoyed her stay in our club. During the same night, we made two donations for some worthy beneficiaries. The first was a joint donation with RC San Juan of 200 blankets and 300 pillow cases to the Amang Rodriguez Memorial Medical Center. We also donated chairs and tables to the Concepcion Elementary School SPED through the generosity of Dir Boni Barotilla.

Last Saturday, Aug 31, 2013, we witnessed the induction of our newest member, Rtn Peter Co during the 1st District Mass Induction at the Club Filipino. Let us give a warm welcome to Rtn Pete and the rest of the 190 new Rotarians in our district who were inducted that day. Congratulations to PDG Jun Farcon, who is the District Membership Committee Chairman and who is celebrating his birthday on Sept. 8, 2013, for a job well done. PDG Tranquil Salvador did the charging and DG Louie Ticman inducted the new members. Our other members who attended include PDG Efren de Guzman with Lady Pam, Lady Zeny Farcon, PP Ver Farcon, AG Ronie Masangkay, PE Dodjie Cabalquinto, VP Bernard Cansana and Auditor Eduard Farcon.

I also attended the Marikina City Nutrition Committee meeting last Tuesday afternoon with Mayor and PP Del de Guzman presiding. Mayor Del introduced me and talked about how Rotary can help and support some of the health-related projects of the city together with other non-government organizations. In the evening of the same day, we attended the 33rd Charter Anniversary of one of our daughter clubs RC Marikina North led by FC Pres Odie Zafra at the Bulwagang Kapitan Moy. On hand from our club during this event include PDG Efren de Guzman and Lady Pam and PDG Jun Farcon and Lady Zeny. WE warmly welcomed by PP Ging Ramos, AG Raul Catapang and Dir Ruth Adelinde to their memorable occasion.

Tonight is our AG Visit. Let us welcome a friend of our club, AG Raul Evangelista from RC Metro Marikina. Next week is our Governor’s visit and we are now preparing to welcome DG Louie Ticman and Lady Ruby and his First Class Team to our clubhouse with our warm Marikina Rotary hospitality.

This is the tenth entry in my journal. Let us take this year’s Rotary theme “Engage Rotary, Change Lives” to heart. It’s time to make a difference in the lives of others as we change our lives as well. Let us use our time on this earth to help our fellow Marikenos help themselves to be better citizens of our city. Thank you.

Rotary Engagement

SEC. CHRIS MERIÑO

Our Club had a very interesting meeting last Thursday August 29, 2013. On that cool night we:

1. Signed our sisterhood agreement with the Rotary Club of San Juan led by First Class President Therese Montecer
2. We sealed our cooperation by donating blankets and pillow cases to the Amang Rodriguez Medical Center. We in turn showed our hospitality with a lively fellowship after the meeting.
3. We donated chairs, tables, 60 Inch TV set and a hospital bed to the Concepcion SPED Center. We recognize the efforts of and valuable contribution of Dir. Boni-Barotilla, PD Nestor Garcia and PP Vice Mayor Fabi Cadiz for facilitating the donation.
4. We were enlightened by First Class President Nikki de Vega regarding adultery, concubinage and the Violence against women and children Law. PP VerFarcon suggested the topic in connection with the area of Focus of Rotary Maternal and Child Health

We all welcome our baby Rotarian Pete Co who was inducted last August 31, 2013 at the Mass Induction in Club Filipino coordinated by our very own PDG Jun Farcon as District Membership Chair. Let us exert more effort in sharing Rotary by recruiting additional members.

We welcome our Assistant Governor Raul Evangelista tonight and he will assess and assist us in the achievement of our objectives. We will revisit our annual goals and objectives in preparation for our Governors visit next week.

Let us support the our club's activities this weeks activities. Happy Birthday to PDG Jun Farcon to be celebrated by a Golf Tournament on Friday September 6 at the Forest Hills Golf and Country Club.

We cheer on our Duckpin Bowling team who at the Market Place Mall, Kalentong Mandaluyong.

As we are still in the rainy season we continue to distribute OL mosquito traps to prevent Dengue in our schools and communities. Dengue Prevention Chairman Rtn. Boyet Culminas will be at the Parang Elementary School at 9:00 am. Let us support this noble project.

The only constant in nature in change. We hope that the changes that our club is undergoing will strengthen and unify our club to the challenges of service for our community. Thank you for your support.

The Wonders of Rotary

(I got these information from the different sections of our rotary website <http://www.rotary.org/> and arranged them together to come up with an article about the wonders of Rotary.)

Rotary members unite at home and across the globe to put our experience and knowledge to work tackling our most pressing challenges. We focus our efforts in six areas: promoting peace, preventing diseases, providing access to clean water and sanitation, enhancing maternal and child health, improving basic education and literacy, and helping communities develop.

We are especially dedicated to [ending polio in our lifetimes](#). Rotary members have persevered in this fight since 1979 and have now helped eradicate polio in all but three countries worldwide.

When you give to Rotary, you support the work we do in your community and around the world. We are a [responsible organization](#) that uses nearly 90% of our funding for program expenses.

Rotary unites people from all continents, cultures, and occupations—it's truly one of our greatest strengths. Our members are leaders in their fields and communities. Our diverse perspectives help us to see problems differently—and help us solve them in communities throughout the world.

Through Rotary, our members find many ways to meet, exchange ideas, and make lifelong friendships, including:

- Weekly club meetings
- Online discussion boards
- Interest-based affinity groups
- Local events
- Our annual international convention

We use our knowledge of local issues to identify areas of need, then apply our expertise and diverse perspectives to the problem. Rotary members are most likely at work in your community right now feeding the hungry, tutoring children, maintaining parks, and more. From community-based groups who team with their local Rotary club to global organizations who work with us on long-term projects, we can make an even bigger difference when we work together.

CLIMATE CHANGE

Climate change is a change in the statistical distribution of [weather](#) over [periods of time](#) that range from decades to millions of years. It can be a change in the average weather or a change in the distribution of weather events around an average (for example, greater or fewer extreme weather events). Climate change may be limited to a specific [region](#), or may occur across the whole [Earth](#).

In recent usage, especially in the context of [environmental policy](#), climate change usually refers to changes in modern [climate](#). It may be qualified as [anthropogenic](#) climate change, more generally known as "[global warming](#)" or "[anthropogenic global warming](#)" ([AGW](#)).

In the following series of article, my objective to make everyone learn and understand how climate change affects us as individual, our community, the economy and the whole ecosystem. The discussion will be according to the following outline:

The most general definition of *climate change* is a change in the statistical properties of the climate system when considered over periods of decades or longer, regardless of cause. Accordingly, fluctuations on periods shorter than a few decades, such as [El Niño](#), do not represent climate change.

The term sometimes is used to refer specifically to climate change caused by human activity; for example, the [United Nations Framework Convention on Climate Change](#) defines climate change as *"a change of climate which is attributed directly or indirectly to human activity that alters the composition of the global atmosphere and which is in addition to natural climate variability observed over comparable time periods."*

In the latter sense climate change is synonymous with [global warming](#).

Factors that can shape climate are [climate forcings](#). These include such processes as variations in [solar radiation](#), deviations in the Earth's [orbit](#), [mountain-building](#) and [continental drift](#), and changes in [greenhouse gas concentrations](#). There are a variety of [climate change feedbacks](#) that can either amplify or diminish the initial forcing. Some parts of the climate system, such as the oceans and ice caps, respond slowly in reaction to climate forcing because of their large mass. Therefore, the climate system can take centuries or longer to fully respond to new external forcings.

Plate tectonics

Over the course of millions of years, the motion of tectonic plates reconfigures global land and ocean areas and generates topography. This can affect both global and local patterns of climate and atmosphere-ocean circulation.

Windows 7 Tricks Tips and Secrets

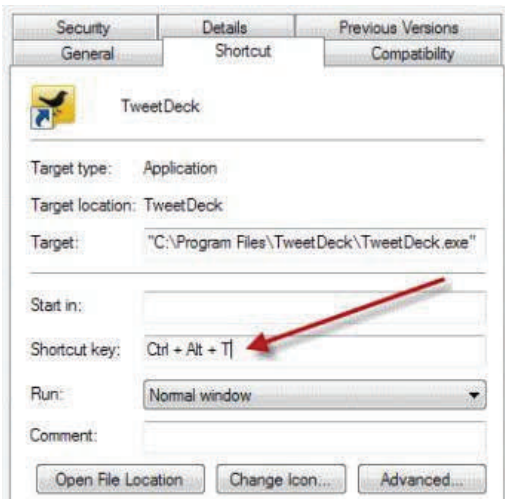

1. Windows 7 Keyboard Shortcuts : – Well [keyboard shortcuts](#) are very useful while working on any OS with these shortcuts you can speed up your work,

- Win+Up Arrow and Win+Down Arrow maximize and restore/minimize
- Win+M minimizes everything
- Alt+Up, Alt+Left Arrow, Alt+Right Arrow navigate to parent folder, or browse Back and Forward through folders in Explorer
- Win+Home minimizes/restores all open windows except the active window
- Alt+Win+# accesses the Jump List of program number '#' on the taskbar
- Win+Left Arrow and Win+Right Arrow dock the window to the left and right side of the screen

2. Windows 7 hidden wallpapers and themes: – There is a hidden folder in [Windows 7](#) which contains many hidden wallpapers and theme for windows 7 users you can find those themes and wallpapers by browsing below path in RUN .

Go to run and type **C:WindowsGlobalizationMCT** hit enter And enjoy the hidden wallpapers and themes.

3. Create Keyboard Shortcuts for Programs : – You can easily create Keyboard shortcut in Windows 7 for that you just need to install any program and go to properties and **Shortcut** tab, type your **Shortcut key** to access that program as shown below:-

4. Adjust Screen Text with Clear Type : – Win7 has a wonderful utility name “**cttune.exe**” By using this tool you can set best look on your LCD monitor or laptop screen. Just go to run and

The position of the continents determines the geometry of the oceans and therefore influences patterns of ocean circulation. The locations of the seas are important in controlling the transfer of heat and moisture across the globe, and therefore, in determining global climate. A recent example of tectonic control on ocean circulation is the formation of the [Isthmus of Panama](#) about 5 million years ago, which shut off direct mixing between the [Atlantic](#) and [Pacific](#) Oceans. This strongly affected the [ocean dynamics](#) of what is now the [Gulf Stream](#) and may have led to Northern Hemisphere ice cover.^{[5][6]} During the [Carboniferous](#) period, about 300 to 360 million years ago, plate tectonics may have triggered large-scale storage of carbon and increased [glaciation](#). Geologic evidence points to a "megamonsoonal" circulation pattern during the time of the [supercontinent Pangaea](#), and climate modeling suggests that the existence of the supercontinent was conducive to the establishment of monsoons.

The size of continents is also important. Because of the stabilizing effect of the oceans on temperature, yearly temperature variations are generally lower in coastal areas than they are inland. A larger supercontinent will therefore have more area in which climate is strongly seasonal than will several smaller continents or [islands](#).

type "**cttune.exe**" hit enter and start adjusting your LCD monitor or laptop screen.

5. Burn images : -Win 7 has an inbuilt feature to burn images with using any 3rd party software's, Now you can easily write ISO images on CD without installing any extra software.

6. Display Switch : – Display Switch is another very handy application in [Windows 7 OS](#), this application provides users to switch display from one monitor to another, or a projector – just press Win+P or run **DisplaySwitch.exe** from RUN, it is very useful for the office environment.

7. Virtual WI-Fi : – Now you easily convert your windows 7 install PC with software-based router by installing Virtual WI-Fi. This tool automatically finds WI-Fi-enabled devices within range – like desktop, laptop, an iPod perhaps – will "see" you as a new network and, once logged on, immediately be able to share your internet connection. For that you need to have a wireless adapter on your PC..

8. Troubleshooting Option : -Fix your problems without taking anyone help by using Troubleshooting option from Control Panel > Troubleshooting, This option provides users a simple wizard option to solve their common problems, by using these tools you can also clean up your system.

So these are some Windows 7 Tricks Tips and Secrets for windows 7 operating system users to enjoy new features of this OS.
