THE ROTARY PLEDGE

I do solemnly promise to help advance the object of Rotary, comply with the constitution and by-laws of Rotary International and the Rotary Club of Marikina, ever putting into practice Rotary's Motto: "SERVICE ABOVE SELF."

THE FOUR WAY TEST

Of things we think, say or do:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and better
FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

PRAYER

Dear Father, our loving and merciful God,

In faith, we acknowledge your abiding paternal care over us, your children.

In hope, we trust in your divine providence of giving us wisdom, courage, and fortitude as we face the challenges in life.

In love, we invoke your help and guidance during these difficult days of death and destruction in various parts of our beloved country.

Ours is a solemn prayer of thanksgiving for Your wise reminder that we live in an imperfect and passing world, that heaven is not on earth. Ours, too, is a sincere prayer of repentance for earnestly seeking you only when we are in need and desperate but conveniently forgetting you when we are comfortable and prosperous; when we allow Your beautiful creation, our environment, to suffer our wrongdoing, our abuse and indifference.

Save us please from other disasters and devastations if this would be according to Your will and for our own spiritual good.

Amen.

Happy Blessed Birthday!

Sp. Leonor Ty—Nov. 26

Happy Wedding Anniversary!

First Class Voyager

PRES. HERMIE DELA PAZ

Last Saturday, we had a very busy day of Rotary district activities. Very early at 8am in the morning, we went to Valle Verde Country Club for the 3rd District breakfast meeting. DG Louie Ticman welcomed all of us and one by one all the district chairmen made their respective reports, with particular highlight on the ongoing fundraising efforts for the victims of Super typhoon Yolanda. All the relief goods were delivered and an initial Ph 500,000 of money collected were remitted to the District Calamity Fund account of RI District 3860 headed by DG Louie's classmate DG Edgar Chiongbian. It's still not too late to give our contributions in cash or in kind to the typhoon victims. Tonight during the Intercity meeting, all the Zone 4 FC Presidents will contribute an initial amount and will appeal to the members present to give whatever amount they can share. We will remit the total amount collected to the District Calamity Fund account of RID 3800. The district is also continuously soliciting donations in kind at the warehouse beside POEA along EDSA. Last night together with some FC Presidents, IPPs, Rotarians and spouses from Zone 4 and Zone 5 we were at Banchetto in Pioneer. We manned the booth provided for free to RID 3800 and went around the area from table to table to solicit donations in cash or in kind. We turn-over the cash donations box and the boxes of noodles, bottled water, canned goods that were donated on-site to the district coordinators assigned. We were there until 12MN to do our share to help the victims of Yolanda. As we all know, Yolanda wreaked havoc and destruction to eastern, central and western Visayas provinces, particularly Tacloban City. Let us help the victims of this calamity and be thankful that Metro Manila was spared and we are safe. In sympathy to the victims, let us do our share by donating whatever we can for the benefit of our brothers in the Visayas, especially the children.

Later in the afternoon of the same Saturday, we went to Kalayaan Hall of Club Filipino for the 2nd District Mass Induction. Although we didn't have a new member to be inducted, I went there to show support to our classmates who accompanied their inductees as well as show support to the host club, our sister club RC San Juan. My classmate FCP Therese Montecer and I are now planning for our first joint project and I will provide details after our meeting on this. A total of about 75 new members were inducted by DG Louie to the Rotary world after a masterful charging by PDG and PRM Editor-in Chief Melito Salazar, complete with powerpoint slides.

Last Monday, DGSR Dindo Santos again hosted a meeting for the prospective members of the proposed Rotary eClub of Marikina. Although some prospective members from last week's meeting did not show up, there were new ones who arrived notably another batch of second generation Rotarians. One of the first to arrive was my first cousin, Rendy de la Paz, son of PP Flor de la Paz. Two brothers and a sister from PD Jessie Cruz' family also arrived, but only two will join the new eclub. DGSR Dindo Santos is still hopeful that PD Rey Montoya's sons will also attend the meetings of the new eclub. I was surprised to learn that PP Bobby Rosadia is attending the meeting not as a friend and classmate of PP Dindo, but as another prospective charter member of the new eclub. He will surely bring his vast experience to help mould our Marikina version of what a Rotary eClub could and should be in the future.

Again last Wednesday, DGSR Tony Fidelino presided over the meeting of the proposed Rotary Club of Marikina Valley. It was another successful meeting with almost twenty five prospective members attending to meet the charter strength required for provisional membership. Again I was surprised to see Rotarian Roman Villame in the meeting. Notable attendees during the meeting include IWCPD Julie

SEC. CHRIS MERIÑO

Dear Fellow Rotarians,

Our nation is overwhelmed by the tragedy in Visayas. As Rotarians again we are called to step up. We commend the efforts of PP Fabi Cadiz for personally travelling to Visayas together with Dir. Val Barcinal and a contingent from the City of Marikina in delivering much needed relief goods and services.

Our Christmas Party preparations are underway with the theme "Pasko ng Pamilyang Pilipino". on December 12, 2013 in our home Marikina Rotary Youth Center. The committee decided to make it simple in view of the situation in our country. Assessments are to be Php 600, Php500 for spouses and at cost for guests. We will try to raise funds for the Yolanda victims and serve some indigent families in our community.

A delegation of the Rotary Club of Marikina and Inner Wheel Club members inspected the Summit Ridge Hotel in Tagaytay as an ocular inspection last November 16, 2013 for the coming PETS hosting by our club. We had a sumptuous lunch and merienda galore at PD Rey Montoya's farm in Silang, Cavite

Please support our hosting of the 3rd leg of the District Golf Tournament chaired by PP Noel Flores. Solicit hole sponsors, participate as players and give support on Nov 27, 2013 at the South course of Valley Golf. Please note that a 10% incentive is given to solicitors for their TRF Contributions Hopefully we can raise enough to contribute to the Yolanda victims.

Our Rotaractors led by Pres. Ethel Teodoro is also campaigning for relief goods to be delivered to the District Relief center at POEA. Our ALS students also volunteered their time today in packing relief goods at the AFP Reserve command in Aguinaldo.

Congratulations to our Ten Pin Bowling team for giving honor to our Club for their 2nd place finish in Group 3 of the District Ten Pin Bowling Tournament.

Let us support our fundraising activities Souvenir Program (chaired by Dir Willy Reyes), District Car Raffle (chaired by PD Rey Montoya).

We also appeal for the payment of dues as the elections are nearing to be qualified to vote and be candidates. Confirm with us on the balance of your accounts.

Thank you.

GUEST SPEAKER

"While Gawad Kalinga is about many people, its public face is that of one man: Tony Meloto."

Antonio Meloto or "Tito Tony" to the countless Gawad Kalinga volunteers and community partners was born on January 17, 1950 to a low middle class family in Bacolod City, Negros Occidental. At a young age, he was already exposed to the squalid living conditions of the poor, his home being near a shoreline squatter community where poverty was already very pronounced.

Tito Tony's natural acumen provided him the opportunity to be an American Field Service scholar, where he took his senior high school year in De Anza High School in Richmond, California. But his big break came when he qualified as a Full Academic Scholar of the Ateneo de Manila University. His college years were dedicated to preparing for a career that would take him and his family out of the poverty of his past. After he graduated in 1971 with a Bachelor of Arts degree in Economics, he was offered a position as the Purchasing Manager of Procter and Gamble. Eventually, he built his own name as an entrepreneur.

It was in 1985 that Tito Tony's life took a different path that eventually led him to the inspiring work of Gawad Kalinga. He became an active member of Couples for Christ (CFC) and quickly rose in leadership, becoming instrumental in the setting up of the CFC Family Ministries in 1993. This expanded the reach of the mission beyond couples, to include children, youth and young professionals.

It was during his assignment as the Country Coordinator for Australia that he felt the powerful call to start the work with the poor through a youth development program for gang members and juvenile delinquents in Bagong Silang, Caloocan City. Since it began in 1995, the program has now evolved to become Gawad Kalinga, a global movement that builds integrated, holistic and sustainable communities in slum areas.

Gawad Kalinga is now being implemented in almost 2,000 communities in the Philippines and in other developing countries such as Indonesia, Cambodia and Papua New Guinea. It has become a concrete manifestation of the healing of relationships in the Philippines, bridging the gap between the rich and the poor, government and the private sector by simply bringing back what is uniquely Filipino – the spirit of "bayanihan," the willing sharing of any heavy load for the good of his fellowmen. Driven by a strong commitment to faith, GK is able to bring out the hero in every person by giving him concrete opportunities to serve.

How to Setup Mail Accounts and Sync Options

The Android system allows for adding multiple mail accounts including GMail, Exchange, Yahoo, Hot-mail and others. To set up a mail account is straightforward especially for this example, GMail.

1. Open the app Email.
2. Enter Email address and Password, then tap 'Next' for verifying.
3. Leave 'Sync email form this account' checked, select other options you like, and tap 'Next'.
4. Enter your name to be displayed on outgoing messages, and tap 'Next' to finish.

After this setting, you can then open the app Email to send emails and read incoming mails, which are automatically synced with your GMail account over the air.

How to Add a Mail Signature

Each time you send out an email using the Email app, you can have a mail signature, such as 'Sent from my mobile device', automatically added at the end of your message.

1. Open the app Email, tap the Menu button, then Settings.
2. Tap the email account that you've set up.
3. Tap 'Signature', enter a signature in a few words you like then tap 'OK' to confirm.

How to Sync Emails, Contacts and Calendars

The Android system allows you to operate and sync your emails, contacts, calendars and other items using multiple accounts. You can set your accounts to sync these items on your device with the servers automatically or manually.

1. Run the Settings app, select 'Accounts & sync' under PERSONAL.
2. At the top, tap to switch the 'Accounts & sync' to 'ON' for automatic syncing, or 'OFF' for manual syncing.

When the 'Accounts & sync' is switched off, you can touch an account and sync contacts or other items manually—either touch an item to sync or tap the Menu button then 'Sync now' to sync all items. The last synced date and time are shown below each item.

How to Browse and Edit Files on your Mobile

You might have a lot of your files you want to browse through, copy, rename or delete them on your mobile device like the way you do in Windows. Unfortunately you can't do much as Android 4.0 has not had a built-in file manager, but you can easily install a third party app from the Google Play Store.

1. Run the Play Store app.
2. Tap the Search button and enter the name of a file manager, such as [ES File Explorer](#), one of the popular.

Malaya with her partner IPP Benjie Malaya. Other Rotarians in the meeting include VP Bernard Cansana, AG Ronie Masangkay, PP George Ty, and Rtn Dan Sibal. I understand that all new clubs to be chartered must have at least 25% females as members and this new club more than meet this requirement. Congratulations DGSR Tony Fidelino for organizing this exciting new Rotary club and hope that this will be the 3rd new club to be chartered in the entire Philippines and 1st in our district for this Rotary year, so the new club officers and charter members can attend the DISCON 2013 at Manila Hotel in March 2013.

It was a very tense moment when, PP Joe Judan rolled the last ball during the 5th game of the District Ten Pin Bowling Tournament held at Coronado Lanes, Star Mall, EDSA. We needed a strike to at least tie for 2nd place in Group 3, or so we thought. Per my computation we needed a total pinfalls for the best 4 players score of 718, which I relayed to him before the start of the tenth frame. So he told us before he rolled the ball that he needs to have a strike on the final extra ball or a total of ten extra pinfalls. When he hit a strike we all shout for joy that we have at least a tie for second place with RC Marikina Hilltop, who rallied during the last game. Then I remembered that I added one pinfall for a definite win and that we need 717 for a tie. We waited for the scores to be tallied officially and confirmed later that we won 2nd place, after all. The Champion team in Group 3 is way ahead with 100 pinfalls difference. Congratulations to RC Greenhills/RC Downtown San Juan joint team for winning the DDG Cup. Congratulations and thank you to all the players who played for our Team RC Marikina, including Team Captain Rey Montoya, PP Onnie Aguinaldo, PP Joe Judan, PP Dante Verano, PP George Ty, Dir Manny Pecho, PE Dodjie Cabalquinto, Spouse Lyn Montoya, future Rotarian Andrei Aguinaldo and I.

There are two district events next week. On Tuesday, we will have the TRF Annual Giving Dinner to be hosted by RC Marikina Hilltop will be on Nov. 25, 2013 at 6:00PM at the Wack Wack Golf & Country Club, Pavilion A. Paul Harris Fellows will be honoured during this event. Dinner fee is Ph 1,000. Then the following day, we will rise very early for the 3rd Leg of the District Golf Tournament for a Cause. This will be hosted by the Zone 4 Clubs with RC Marikina as the Lead Club. Thank you to PP Noel Flores, the District Tournament Chairman for this event for all his efforts to make this a successful project meeting the standards of the district. Thank you for all the hole sponsors and the golfers in our club for your full support to this project. The District Christmas party with the theme "Soul Train" will be on Dec. 11, 2013 at 6PM at Camp Aguinaldo Exec, Clubhouse. Registration fee is Ph 500. A table for twelve has been reserved for us.

This is the twentieth entry in my journal. We are now almost halfway through our journey. I know I have made some mistakes and missed some opportunities along the way. But as always, we only learn from them and hope to do better in the future. Let us look forward to a better tomorrow not only for ourselves for those of our unfortunate brothers and sisters who were victims of Yolanda. Let us share whatever we can and it will come back to us ten times more. As I recall the comment from adonor at Banchetto from Cucina Manila, they allocated 10% of their sales and donated the amount to Rotary Calamity Fund for the Yolanda typhoon victims, and in return, their sales went up way more than what they gave. May God bless all of us. Let us share Rotary to our friends and encourage them to be members of this great service organization. During this Rotary Foundation month, let us contribute to the TRF and support its campaign to do good in the world. Let us engage Rotary and change lives. Thank you.

Gawad Kalinga sparks hope in the dream for a poverty free world – one family, one community and one country at a time. This is Tito Tony's passion. A true man for others, he has inspired not just his family but hundreds and thousands of volunteers throughout the country and the world to work towards building model communities where the poor can thrive and attain to their fullest potential so that together, we can all look forward to a better future for our children and the generations to come.
