Masters of Ceremonies.

## PRAYER

**God our Father, You are awesome and worthy of all praises.**

**If we find ourselves in difficult circumstances, Your words offers the surprising instruction to count it all, knowing that the testing of our faith produces patience.**

**We seek You Father for wisdom that we might know how to respond properly to our trials, sorrow, and pain.**

**And let our confidence grow by trusting and obeying our Lord and His Word.**

**Give us the faith of a little child—a faith that will look to You that never will falter and never fail but follow You trustingly.**

**As we live by faith and do what the Bible clearly tells us to do, we can be sure that You will lead us through the difficult decision and give us victory. In everything we give thanks; for this is the will of God in Christ Jesus. Amen.**

**Amen.**

## **Happy Blessed Birthday!**

**Sp. Linda Aguinaldo—Jul 15**

**Rtn. Gilbert Ong—July 17**

**Sp. Lanie Capco—Jul 19**

## ROTARY CLUB OF MARIKINA MARCH

**Music: PP Jimmy Capco**

**Lyrics: Rtn. Francisco Pascual;**

**Arranger: Rtn. Allan SM Perez**

**Come sing with us for fellowship  
A song of camaraderie  
Then give your hand in fond friendship  
To Marikina Rotary**

**We love to share our thoughts with you  
And lavish in your company  
So, come each meeting day please do  
To Marikina Rotary**

### Refrain

**Motto of SERVICE ABOVE SELF  
Is not a mere phraseology  
Participate with zeal and zest  
In Marikina Rotary**

**Let us Rotarian serve all  
Our beloved community  
Then we can accentuate the goal  
Of Marikina Rotary**

## THE ROTARY PLEDGE

**I do solemnly promise to help advance the object of Rotary, comply with the constitution and by-laws of Rotary International and the Rotary Club of Marikina, ever putting into practice Rotary's Motto: "SERVICE ABOVE SELF."**

## THE FOUR WAY TEST

***Of things we think, say or do:***

**Is it the TRUTH?**

**Is it FAIR to all concerned?**

**Will it build GOODWILL and better FRIENDSHIPS?**

**Will it be BENEFICIAL to all concerned?**

# GOLDEN PRESIDENT

Pres. Jaime N. Cabalquinto

## INAUGURAL ADDRESS

Gov. Marilou Co and PDG Tony Co, IPDG Louie Ticman and Sps. Ruby, InnerWheel Club DC MalenAng, Past and Future Governors, Best Class District Officers, Best Class Presidents, and fellow Rotarians, Good Evening.

I would like to begin by Thanking several Rotarians .PDG Efren de Guzman for introducing me to Rotary 10yrs ago. Lt. Gov. Eric Ignacio, SAG Roland Garcia and PP Dindo Santos for your encouragements and guidance. My gratitude to all the members of the Rotary Club of Marikina, for your trust and confidence on me, in leading our club this year. Thank you to my fellow Best Class Presidents for the camaraderie and cooperation.

As most of you know, Rotary in Marikina is celebrating its 50<sup>th</sup> Golden year of fellowship and service. In the last 49 years, we have increased our membership extending up to San Mateo and Rodriguez. Zone 4, as we call it today, consist of 16 dynamic and action-oriented Rotary Clubs. We have delivered projects that cover all of the six areas of focus. Projects that reflect some of the most critical and widespread humanitarian needs. Projects that we do in cooperation with our LGU and other NGOs.

This year, the 16 Best Class Presidents with the support of all the 16 clubs, is committed:

**IN MEMBERSHIP**, to support the membership campaign of 5-5-3 of our district. "Give me 5 or become 5 so that the District will be 3000" by the end of the rotary year.

**IN SERVICE PROJECTS**: Aside from individual club projects, We will have three (3) zone projects thru our DDF of \$19,200.00. These projects are:

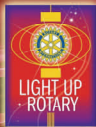

**In Maternal & Child Health**: "Teenage Pregnancy Summit" the lead Club is RC Marikina Central headed by BC Pres. Manny Adriano

**In Water and Sanitation**: "Golden Drop" The Lead Club is RC Marikina Uptown headed by BC Pres. Jing Andaya

And,

**In Basic Education and Literacy**: "Mentoring with the Stars" The Lead Club is RC Metro Marikina headed by BC Pres Doris Sto. Domingo.

# IN THE BEGINNING...

Sec. Val A. Barcinal

July 13, 2014 Lucky Me

President Dodjie and I have just attended last night League of Visionary Handover Ceremony at Valley Verde 6 Clubhouse. PP Vincent Santos turnover the Prime Minister position to PP Nonong Soto of RC Pasig. The League of Visionary is the most inimitable group of past president in District 3800 under the leadership of PDG Rudy San Felipe. It is unique because after almost four or five years since it was organized after Rotary year 2009 – 2010 it never cease to be organized with regular activities like this turnover ceremonies, regular meetings and harmonious happy fellowship. They are as cohesive as a group as they were during their incumbency that even District Governor Marilou Co was so envious. She was planning to invite PDG Rudy to a dinner just to query him about his secret why his visionary presidents were so united, organized, and cohesive.

It was during incumbency of PP Vincent Santos when I decided to join again our club after several years of hiatus. It was also during that Rotary year that we had opportunity to worked together when typhoon Ondoy hit Marikina. We did joint medical mission and relief operations. There was one time Arlene and were invited to dance during the Governors Visit. That was the time I really missed being a Rotarian so when PP Vincent invited me to join again the club, I never had second thought because I know I was very happy to be Rotarian.

The Visionary Presidents with PDG Rudy San Felipe were very dear to my heart. It was during their time when I rejoined Rotary and tonight I was very lucky to have attended the handover, I won a Mountain Bike during the first draw of the raffle by PP Vincent Santos. What a struck of luck.

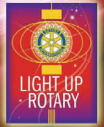

President Dodjie Cabalquinto were together with PDG Efren de Guzman, SAG Roland Garcia, PP Dante Verano, AG Ronie Masangkay, Dir. Manny Pecho, Spouses Eula Santos, Noemi Verano, Vicky Smith and Vicky Pecho. Spouse Eula Santos was drawn as second lucky winner of a Mountain Bike but generously waved this off.

That same night we were able also to attend the 7th charter anniversary and Handover Ceremony of Rotary of San Mateo at Mossaiko near Eastwood together with SAG Roland Garcia. AG Ronie Masangkay.

Tonight, as we celebrate our Zone 4 joint Handover Ceremony, I am praying that my luck will be extended during its raffle part. I hope the event will proceed with no hitches or snags or problems. I also hope speeches will be brief and flow of the program will be smooth.

# SERVICE IN ACTION

**RCM Regular Meeting, July 10, 2014, MRYC**

# ROTARY INFORMATION

PP Dindo Ferdinand C. Santos

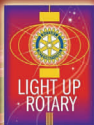

## ROTARY THEME NECKTIE/SCARF and BLAZER

RI presidents introduced theme logos, lapel pins, ties, and scarves. Theme ties were introduced in the 1990s, and are now given out yearly. Many have incorporated the theme for the year. The first scarves showing the RI theme were designed by 1998-99 RI President James L. Lacy and his wife, Claudine, Follow Your Rotary Dream.

The theme blazers started in 1984-85, when Carlos Canseco was the RI president, and the governor in my district that year, Jim Fischer, was instrumental in starting and maintaining the tradition. Jim and his brother owned a sporting goods store in the St. Louis area, and when his classmates expressed an interest in acquiring some brightly colored jackets to identify one another at Rotary conventions, Jim secured a large number of bright yellow blazers for his fellow governors. The yellow jackets — or the Jell-O jackets, as they were frequently called — were an instant success, and they were highly visible at the 1985 Rotary convention in Kansas City. The jackets were so popular that the 1986-87 RI president, M.A.T. Caparas, asked Jim to provide a supply of Harvard crimson-colored blazers for sale at the 1986 International Assembly in Nashville. The blazers were a big hit, and as the succeeding presidents selected their colors from year to year, Jim provided the blazers for many years. *(from the speech of then RIPE Ray Klingensmith during the 2010 International Assembly)*

# TREASURER'S REPORT

Petty Cash Fund	5,000.00
Baby Garcia - Dinner full payment	2,000.00
Total Disbursement	11,875.00
Ending Balance, July 3, 2014	<b>17,311.00</b>

## BASICS OF PHOTOGRAPHY: THE COMPLETE GUIDE

*continuation*

### The Lens

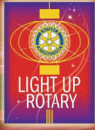

Certain types of lenses are better for certain situations, so it's important to know their classifications and differences. The first thing worth noting is the difference between **zoom lenses** and **prime lenses**. Zoom lenses—as you can probably guess—let you zoom in and out. While they have that advantage, they're generally more expensive, heavier, and larger. Prime lenses, on the other hand, *do not* allow you to zoom, but they're often cheaper, lighter, and smaller. In many cases, prime lenses will provide sharper images than zoom lenses at lower price points. When you start paying thousands of dollars for lenses, lens performance tends to be a little more equal.

The next thing you want to understand is the difference between **wide-angle**, **standard**, **medium**, **telephoto**, and **ultra telephoto** lenses. These terms are all based on a lens' focal length, which is a complex definition that's beyond the scope of this lesson (if curiosity compels you, [read about it on Wikipedia](#)). What you need to know is that focal length is measured in millimeters (mm) and you can think of it like the amount of magnification. A low number is like being zoomed really far out, and a high number really far in. Here's what you need to know about each type:

**Wide-angle lenses** are essentially any lenses with a focal length of up to 35mm. The wider the lens (and lower the focal length), the more the lens can see. Fisheye lenses are extremely wide and often have a rating of around 8-10mm. A regular wide-angle lens is generally around 14-28mm. As you can see from the photo on the left, wide angle lenses capture more stuff in the frame. They also distort space, increasing depth and making it look more spherical. This can be both a wanted and unwanted effect, depending on the circumstances. Some wide-angle lenses include technology that corrects this distortion, but those lenses are almost always significantly more expensive.

**Standard lenses** are generally between 35-50mm and tend to most closely represent space the way the human eye sees it. Wide-angle lenses tend to distort space and add the appearance of more depth. Telephoto lenses flatten space. Standard lenses are the middle ground and produce images that look realistic to most people. A 50mm prime lens is often the cheapest lens you can buy with a level of quality that rivals zoom lenses priced at several hundred dollars more. Standards are the most versatile lenses because they're a good compromise between the more extreme types, but they're often useless when you're in a small space and need to go wide or are far away from your subject and need the magnification power of a telephoto.

# THROWBACK THURSDAY

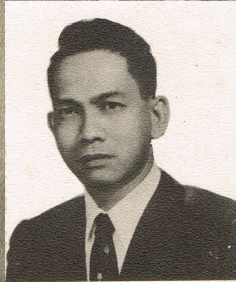

Dir. Bernard Cansana

## RC Marikina Activities RY 1972-1973

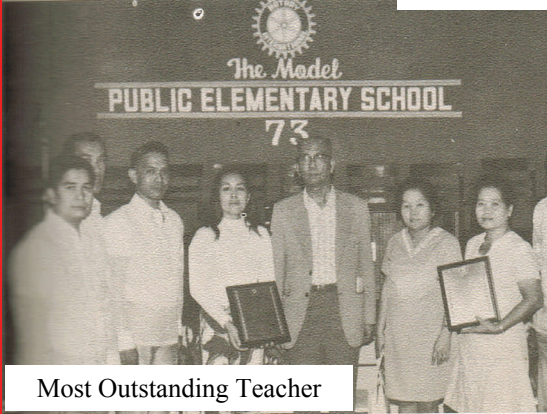

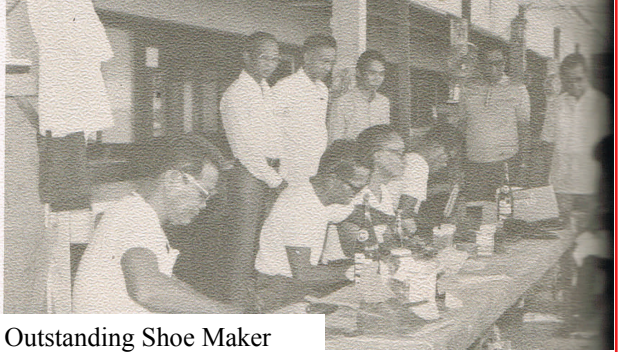

Induction

FACUNDO R. SANTOS  
1972-1973

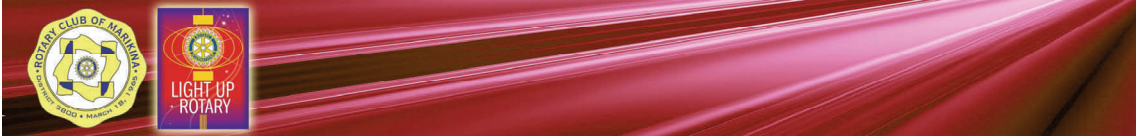

Most Outstanding Shoe Maker

Most Outstanding Teacher

Student Leadership Award

*..from page 3 Golden President*

IN ROTARY FOUNDATION: We will support the TRF with the best of our abilities.

And Last but not the least,

IN PUBLIC IMAGE: To commemorate the 50<sup>th</sup> year of Rotary in Zone 4, We are to put up a Rotary Marker with our History, and names of all the Rotarians of zone 4. The lead Club is the Mother Club. RC Marikina. Hopefully, this will be at the vicinity of the Meralco Park, Industrial-Valley Compound (IVC). This will serve not just as a public image but as a symbol of our commitment to serve our community above self. This Public Image Project will need the support and cooperation of each and every Rotarians of our Zone.

Thank you and GOD BLESS US ALL!

*..from page 9 Digitally Yours*

**Medium lenses** generally fall into the range of 60-100mm and are generally not a type you'll want as a prime unless you have a specific purpose in mind (some prefer 60mm and 85mm prime lenses for portraits, for example). This range is often encompassed by zoom lenses, and that's generally where you'll want it. Many standard zoom lenses start as wide as 28mm and end up at 70mm, at least. A good standard zoom will encompass this range.

**Telephoto lenses** are what you want for zooming in really far. Pretty much anything over 100mm is considered a telephoto lens, and anything over 400mm is considered an **ultra telephoto lens**. While telephoto lenses can magnify an image many times over, and are necessary when you can't get close to your subject, they're both heavy, are more subject to motion blur (as a result of camera movement), and do not perform as well in low light. You will find some options that are compact, come with image stabilization (to prevent motion blur), and offer wider apertures (to perform better in low light), but all of these features increase their cost significantly.

Be on your guard; stand firm in the faith; be men of courage; be strong.

**1 Corinthians 16:13**

*In order to succeed, we must have the courage both to fail and to try again.*
