THE ROTARY PLEDGE

I do solemnly promise to help advance the object of Rotary, comply with the constitution and by-laws of Rotary International and the Rotary Club of Marikina, ever putting into practice Rotary's Motto: "SERVICE ABOVE SELF."

THE FOUR WAY TEST

Of things we think, say or do:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and better FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

PRAYER

Our Father in Heaven, with grateful hearts we acknowledge your blessings in all our undertakings, accomplishment, possessions, and in everything we hold.

We also appreciate the trials and difficulties that come our ways as your way of making us strong, faithful and humble, so that we may truly be worthy to be called your children.

Bless our gathering today, that we may be enriched by it, not only in fellowship, but more importantly in service.

Bless our organization, so that Rotary may always be an effective vehicle in propagating your message of love, peace and understanding among nations.

May we always be ready to share all our blessings with others for the glory of your name. Amen.

Congratulations!

PP Benjie Malaya on your 18th year —Aug. 1
In Service of Rotary!

Happy Blessed Birthday!

GOLDEN PRESIDENT

Pres. Jaime N. Cabalquinto

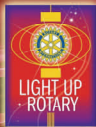

Even though our club was not able to join the joint medical mission of our daughter clubs last July 27, 2014 at the new Sto. Nino barangay hall, SAG Roland Garcia, AG Dante Verano, PP Fabi Cadiz, PP George Ty, PP Benjie Malaya, Rtn Dan Sibal and myself participated and gave financial support to the joint project. Just like our recent medical mission, it was well attended by the community. On the other hand, we will again have our 2nd of the "8 KALUSUGAN MEDICAL MISSION PROJECT" on August 15, 2014 at Barangay Concepcion Dos which will be held at the Marikina Convention Center. This will again be a joint project with the Marikina Valley Medical Society, Inner wheel Club of Marikina, The City Government of Marikina and Vice Mayor's Office with additional partners Barangay Concepcion Dos and Rotary Club of Marikina East. This are all thru the effort of our Chairman PRO Joel Relleve.

Early Today, we had our project on Nutrition entitled "Kalamidad Paghandaan, Gutom at Malnutrition Agapan" This was a joint project with The City Health Nutrition Office, Marikina Valley Medical Society and IWC of Marikina with IWC Marikina Central and IWC Marikina Valley. During this time of the year, we experience a lot of rains. As our preparedness for any calamity, we have trained at least 5 Barangays with 3 representatives each to prepare food coming from the donations (ex. Sardines and Noodles) that are low cost and very nutritious. The training was a success and ended as a cooking contest among the participants.

This Saturday, the Rotary Academy 101 will be held at the Ynares Hall, Antipolo Rizal. I encourage specially the new and young members to attend and learn more about Rotary. It will start at 1pm and ends by 5pm.

Sunday, August 3, 2014 is the start of the Duckpin Bowling Tournament of our District. The uniforms are for distribution today. Those who are interested to join can still be included since all our members will receive their uniform.

The arrival of our RI President Gary Huang is just around the corner. Our District along with 9 other District in the Philippines are preparing for the big event, the Nationwide Rotary Day. This will be on August 21 and 22, 2014. There will be a Mass Induction of new members. Hopefully our Club will be able to send 2 prospective members and they will be inducted by the RI President himself. It is an honor for a new member to be inducted by the RI President since it is a very rare occasion.

IN THE BEGINNING...

Sec. Val A. Barcinal

"Complacency could set Rotary back"

"Today - Do something kind to someone who is often ignored. Give a hearty "Good morning!" or better yet, slip a few pesos to your company janitor, messenger or security guard and tell the person just "it's just a little appreciation for their honest work." Now this is being classy." I read this in my Facebook account from Francis Kong while thinking or searching for inspirations.

Last week was a passionate article of my disgust on how a nice concept of service went "sour" because it did not follow the ethical way of planning a supposed to be benevolent project. It really after all projected a different "color" when I saw it while I brought Arlene to the venue. Anyway after hearing from other participant who attended, the project could have been more "blessed" if the proponents did not have "other agenda" in pushing that activity. So much with that activity and I guess we have to move on.

Rotary International President Gary C.K. Huang and the RI Board have changed the dates for the 2015 Rotary Convention in São Paulo, Brazil, to Saturday, 6 June, through Tuesday, 9 June – starting and ending one day earlier than previously scheduled.

The dates were changed because the original opening day (Sunday, 7 June) coincided with one of the city's most popular parades. The new start date will dramatically reduce traffic congestion and make it easier for Rotary members to attend the opening plenary sessions. It will also make it convenient to attend our very own Rotary Carnival, a Host Organization Committee event, on Saturday evening.

The following is an excerpt from Closing of 2014 Rotary Convention in Sydney, Australia: RI President Ron Burton put the final touches on the 2014 Rotary Convention in Sydney by reminding a packed All phones Arena why they joined Rotary.

"Being a Rotarian isn't about our own achievements, it isn't about our own careers, and it really isn't about us at all. It's about the people we help," said Burton. "At the end of the day, the only thing that matters in Rotary is how much better the world becomes because Rotary is in it."

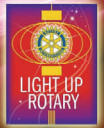

The four-day event, which drew to a close on 4 June, attracted more than 18,000 attendees from 153 countries. Burton encouraged convention goers to return to their clubs ready to do more to improve the lives of others.

"Together, we can dream big and we can achieve. We can change whole communities for the

Rotary Days

RI President Gary C.K. Huang is urging all Rotary members to Light Up Rotary by organizing a Rotary Day in 2014-15. The concept is simple: hold a fun, informal event in your community to introduce the public to your club and Rotary. You'll not only improve Rotary's image in your community, you'll also boost interest in joining your club.

Host a Rotary Day

Any club, big or small, can host a Rotary Day. Neighboring clubs can pool their resources and co-host an event -- even entire districts can come together for a large-scale Rotary Day. Here are some ideas for your Rotary Day:

Hold an outdoor picnic or barbecue

Host a sporting event or concert

Organize a family fun run

Align the event with a public parade or festival

Sponsor an event at a museum, art gallery, or cultural center

Secure an auditorium or arena and plan a ticketed reception or buffet dinner

Tips for Rotary Day planners

Feature guests that will appeal to a non-Rotary audience. Consider inspirational speakers, celebrities, musicians, or other public figures.

If the event will offer food, keep it simple — for example, a barbecue buffet rather than a formal, sit-down meal.

Keep admission prices low. Approach local businesses to sponsor your event.

Make your event welcoming to families. Encourage members to bring their spouses, children, and other relatives.

Avoid using Rotary jargon or referring to internal traditions; present Rotary as an enticing opportunity for prospective members to make new friends, exchange ideas, and take action to improve their local community and the world.

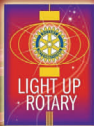

Highlight the work of ordinary Rotary members doing extraordinary humanitarian work.

Consider including a hands-on service project as part of the event to give visitors the chance to see firsthand how Rotary benefits the community.

Recognize non-Rotary community members who embody Rotary's service ideals.

Seek coverage for the event in local news media.

The Flash Card

Flash cards come in all different sizes, but they come in different speeds as well. Nowadays you're most likely to end up with an [SD](#) or [CompactFlash](#) card. The speed of your flash card is important because most cameras nowadays are very fast. You can take many images in rapid succession, but if your card has a slow write speed it can't keep up. For SD cards you'll be best served by a Class 6 card. For CompactFlash, a card rated at 133x should do just fine.

Many DSLRs and compact cameras come with video capabilities, and writing this kind of data requires a fast flash card. Class 6 SD cards will still be enough for most point-and-shoots, but if your video-capable DSLR uses SD cards you'll probably want a Class 10. Class 10 cards are not all created equal, however, and some are marginally faster than Class 6. In most cases any Class 10 should be sufficient, and anything with a max write speed of 15MB per second is more than enough. Of course, it doesn't hurt to get a faster card and some Class 10 SD cards are capable of write speeds twice that fast. CompactFlash cards are often used in higher-end DSLRs because they're capable of faster speeds at a lower cost (mainly because they're physically larger and that's easier to achieve thanks to their size). A CompactFlash card rated 233x or higher should handle video in most any DSLR just fine, but faster cards will definitely make things run more smoothly.

National Rotary Days

In addition to the many club- and district-level Rotary Days that will take place this year, there will be a select number of national Rotary Days facilitated by current RI directors and other senior leaders. These events will convey Rotary's relevance, highlight our good work, and appeal specifically to residents of the countries where they take place.

better, not for a day but for a lifetime," he said.

Rotary changes lives by improving literacy, making water cleaner, bringing better health care to mothers and children, and eradicating polio worldwide, Burton said. But he warned that **complacency could set Rotary back.**

"That's why it isn't enough for any of us to just go through the motions, to show up at our clubs, to do just the minimum needed and no more," he added. "And it's why each of us has to remember, every hour of every day, what a responsibility we have."

And this is what I really need to perk me up every Thursday. This is also my message to all of us in the mother club. Let us prove that we really are the best like we want others to think about us. Do your part, remember your responsibilities. Make a difference. Be active. Attend. Pay your dues. Enjoy our fellowship. Light up Rotary Club of Marikina. Salute.
