THE ROTARY PLEDGE

I do solemnly promise to help advance the object of Rotary, comply with the constitution and by-laws of Rotary International and the Rotary Club of Marikina, ever putting into practice Rotary's Motto: "SERVICE ABOVE SELF."

THE FOUR WAY TEST

Of things we think, say or do:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and better FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

PRAYER

Heavenly Father we are grateful for the wonderful mixture of blessings, promises and mercy running through our lives, even the trials and lapses of faith.

Again we ask for your help to meet our goal, to fight the good fight, to finish the race, and to keep the faith. Give us new strength to function best and accomplish the most for the Lord when we do what we've been gifted to do; to benefit others and to fulfill His purpose.

*We thank You for all things to God the Father in the name of Lord Jesus Christ.
Amen.*

Congratulations!

PP Jun Garduño on your 37th year—Oct. 6
Rtn. Willy Cruz on your 9th year—Oct. 6
PE Willie Reyes on your 9th year—Oct. 6
PP Ading dela Paz on your 43rd year—Oct. 7

ROTARY CLUB OF MARIKINA MARCH

Music: PP Jimmy Capco

Lyrics: Rtn. Francisco Pascual;

Arranger: Rtn. Allan SM Perez

Come sing with us for fellowship
A song of camaraderie
Then give your hand in fond friendship
To Marikina Rotary

We love to share our thoughts with you
And lavish in your company
So, come each meeting day please do
To Marikina Rotary

Refrain

Motto of SERVICE ABOVE SELF
Is not a mere phraseology
Participate with zeal and zest
In Marikina Rotary

Let us Rotarian serve all
Our beloved community
Then we can accentuate the goal
Of Marikina Rotary

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSION

As a Rotarian engaged in business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of ethical codes of my vocation, to the laws of my country, and to the moral standards of my community
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation
4. Be fair to my employees, associates, competitors, customers, the public and all those with whom I have business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents; to provide opportunities for young people; to work for the relief of the special needs of others, and to improve the quality of life in the community.
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded to others in a business or professional relationships

GOLDEN PRESIDENT

Pres. Jaime N. Cabalquinto

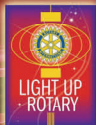

It was a very touching and inspiring talk given by the speaker during the Inter-Club Meeting last Thursday September 25, 2014 at the Second Floor of Kapitan Moy. Richardson Navor was a PWD (Person with Disability) who was diagnosed with cerebral palsy since birth and walking with his two feet was impossible. However, undergoing medical treatment and operations a little hope was given to him. Despite of his disability, he earned his Bachelor's Degree with flying colors from University of the East, He is a recipient of the Ten Most Outstanding Young Students awarded by Pres. GMA. He is also currently the Financial Analyst of IBM Philippines He can drive a car with one leg. And, he is a college professor in UE Makati and is an active project chair. He is a good example of a PWD that can make a difference and have a normal life in our community.

It was my first time to ride approximately 13Kmslong in a bike at night and go around the city last Saturday September 27, 2014. We, with the Sapatos jaycees and the Marikina Bikeways and Mobility office sponsored the Padyakan sa Marikina Part 2. It started with a bike exhibit at the old lobby of the Marikina Sports Center, where different and never-seen kinds of bikes were displayed. Bike Accessories and outfits were also on display. Initially, there was a ribbon cutting and a short program were I gave a message to the participants how we can have a healthy lifestyle and avoid temptation and influence of drugs especially to the young generations. With me were PP Fabi Cadiz, PP George Ty, PP Benjie Malaya, Treas. Jerome Josef, Dir Joey Ramos, Dir August Igl-iane, PRO Joel Rellve Rtn. Dan Sibal and Rtn Gilbert Ong.

As the month of October begins, most of us are eagerly waiting for the day our district will have the Octoberfest. This year the Octoberfest will be at the Valley Golf Country Club on Saturday October 4, 2014 at 6:00pm. Beers will be served while supply last and t "pulutan" will be free for the first serving per table. The host club RC Marikina West is inviting all of us to join the merry making fellowship.

Our Governor's Visit is on October 9, 2014, Thursday at 4pm. It will start with the groundbreaking of our Rotary Marker at the park in IVC, along the road going to C5. I am asking everyone to be present and participate the whole time. We will wear our White Anniversary Barong. The park was granted to us by the City Government of Marikina and will be named Rotary Park. From the park we will proceed to MRYC where Gov. Marilou will have a one-on-one with the Board of Directors of our club. And lastly she will join us with our regular weekly meeting. A 100% attendance is expected with our club since the district has high regards and expectation from us.

Lastly, Let us help our club by giving our support physically in all our projects, and activities. And, give our financial obligations for a very fruitful and successful year.

Vocation Service Month and the Four-Way Test

“Vocation Service Month promotes business integrity, professional development” according to Ryan Hyland published in Rotary International News last October 3, 2011

Through the Avenue of Service, Rotarians contribute their professional expertise and skills to address societal problems and needs, promote high ethical standards in the workplace, support career planning and other vocational activities, and represent the dignity and value of their profession.

Rotarians can support vocational service by:

Strengthening the emphasis on professional diversity in member recruitment

Identifying ways to emphasize professions in club activities

Placing a stronger emphasis on business networking with integrity at the club and district level -- which also is a means of attracting and mentoring the next generation

Emphasizing the connection between The Four-Way Test and the Declaration of Rotarians in Businesses and Professions, and their importance to the values of Rotary

In our club, it was only PD Celso Cruz who perpetually promotes the Vocational Service. He has been very active in distributing to members the poster promoting **“The Four-Way Test and the Declaration of Rotarians in Business and Professions”**. It is very important reminder to all Rotarians to post it on their place of work or professions. I have one posted in my clinic at Roosevelt Sumulong and I plan to have another one posted in my clinic in Concepcion.

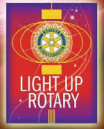

Anybody who posts the poster on **“The Four-Way Test and the Declaration of Rotarians in Business and Professions”** will be proud to be a Rotarian. People who take time to read it will learn how the **Four-Ways Test** can also be applied in their own lives. People will use the principle of the **Four-Way Test** in their daily lives. All are familiar with our Rotary Wheel when they travel, but when they read the poster on “The Four-Way Test and the Declaration of Rotarians in Business and Professions”, they will have deeper understanding and meaning of what it is all about. Do you have that poster already? You can ask one from PD Celso Cruz.

In our last Board meeting, there are many gems that you will learn when you invite seasoned and experienced leaders in the meeting. **“The biggest communication problems is when we do not listen to understand but we listen to reply.”** Senior Assistant Governor Roland Garcia our “Kaibigan” was really patient to attend and listen to the ongoing of what is happening not only in our club but also what is happening to our zone. Coming from our club, he is fair and do not just take sides just because we are from the premier club of the zone.

VOCATIONAL SERVICE

Vocational service promotes high ethical standards in businesses and professions, recognizes the worthiness of all dignified occupations, and fosters the ideal of service in the pursuit of all vocations. Members conduct themselves and their businesses in accordance with Rotary's principles.

Rotary Code of Conduct

As a Rotarian, I will:

- 1) Exemplify the core value of integrity in all behaviors and activities
- 2) Use my vocational experience and talents to serve in Rotary
- 3) Conduct all of my personal, business, and professional affairs ethically, encouraging and fostering high ethical standards as an example to others
- 4) Be fair in all dealings with others and treat them with the respect due to them as fellow human beings
- 5) Promote recognition and respect for all occupations which are useful to society
- 6) Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community
- 7) Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or fellow Rotarians
- 8) Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship

That's pretty much all you need to know about aperture. The important thing to remember is that a wide aperture, like f/1.8, lets in more light and provides a shallow depth of field (meaning less of the photo appears in focus). A narrow aperture, like f/22, provides deeper focus but lets in less light. What aperture you should use depends on the situation and the type of lens you're using, so experiment to see what effects you get and you'll have a better idea of how your aperture setting affects your photographs.

Basics of Photography: Your Camera's Manual Settings

Aperture

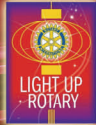

Aperture is often the most difficult concept for people to grasp when they're learning how their camera works, but it's pretty simple once you understand it. If you look at your lens, you can see the opening where light comes through. When you adjust your aperture settings, you'll see that opening get bigger and smaller. The larger the opening, or wider the aperture, the more light you let in with each exposure. The smaller the opening, or narrower the aperture, the less light you let in. Why would you ever want a narrow aperture if a wider one lets in more light? Aside from those situations where you have too much light and want to let less of it in, narrowing the aperture means more of the photograph will appear to be in focus. For example, a narrow aperture is great for landscapes. A wider aperture means less of the photograph will be in focus, which is something that's generally visually pleasing and isn't seen as a downside. If you've seen photographs with a subject in focus and beautiful blurred backgrounds, this is often the effect of a wide aperture (although that's not the only contributing factor—remember, telephoto lenses decrease depth of field as well). Using a wide aperture is generally considered the best method for taking in more light because the downside—less of the photograph being in focus—is often a desired result.

Aperture is represented in f-stops. A lower number, like $f/1.8$, denotes a wider aperture, and a higher number, like $f/22$, denotes a narrower aperture. Lenses are often marked with their widest possible aperture. If you see a lens that is a 50mm $f/1.8$, this means its widest aperture is $f/1.8$. The aperture can always be set to be more narrow, but it won't be able to go wider than $f/1.8$. Some lenses will have a range, such as $f/3.5-5.6$. You'll see this on zoom lenses, and it means that when the lens is zoomed out to the widest position it's $f/3.5$, but when it's zoomed in all the way it can only have an aperture as wide as $f/5.6$. The middle changes as well, so halfway through the zoom range you'll end up with a widest aperture of about $f/4.5$. An aperture range is common with less-expensive zoom lenses, but if you pay more you can get a standard aperture throughout the range.

Leadership in the zone must be learned, earned with credibility, foresightedness, with a **heart and intelligence to listen, "balls" to be persuasive without harming the ego of your classmate.** Now to be a zoneleader is a big challenge and task. First lesson to learn is being diplomatic and patient. As a leader it is not always being so tough in making decision in leading but you have to learn from Lao Tzu principle of being soft but permeable: "**Water is the softest thing, yet it can penetrate mountains and earth. This show clearly the principle of softness overcoming hardness.**"

We read and discussed an intention of resignation from one of the Board member. We also welcomed and heard the wisdom and inputs from other past presidents who happened to be our guest and adviser and "kaibigan" during that board meeting. The Board have reserved its decision at a later date.
