I do solemnly promise to help advance the object of Rotary, comply with the constitution and by-laws of Rotary International and the Rotary Club of Marikina, ever putting into practice Rotary's Motto: "SERVICE ABOVE SELF."

THE FOUR WAY TEST

Of things we think, say or do:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and better FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

PRAYER

Our Father in Heaven, with grateful hearts we acknowledge your blessings in all our undertakings, accomplishment, possessions, and in everything we hold.

We also appreciate the trials and difficulties that come our ways as your way of making us strong, faithful and humble, so that we may truly be worthy to be called your children.

Bless our gathering today, that we may be enriched by it, not only in fellowship, but more importantly in service.

Bless our organization, so that Rotary may always be an effective vehicle in propagating your message of love, peace and understanding among nations.

May we always be ready to share all our blessings with others for the glory of your name.

Amen.

GOLDEN PRESIDENT

Pres. Jaime N. Cabalquinto

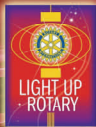

Last Thursday December 4, 2014 we elected our Board of Directors for RY 2015-2016, and our President for RY 2016-2017. I believe it was a very wise and well thought of decision made by all the members of RC Marikina. I personally congratulate the following Rotarians for winning their respective positions. President-Nominee Chris Merino, Incoming Vice President Val Barcinal, Incoming Secretary Joel Relleve, Incoming Treasurer Jerome Josef and Incoming Directors Joey Ramos, Manny Pecho, Peter Co, Jessie Cruz and Roman Villame. These set of Directors will surely bring our club to greater heights with flying colors. I wish them all the best and my support during their term with President-Elect Willie Reyes.

The DISCON 2015 Committee had its first official meeting and pictorial last Thursday at the house of Gov. Marilou Co. District 3800 again appointed members of RC Marikina to be part of the committee. PDG Efren de Guzman, Lt. Gov. Eric Ignacio, AG Dante Verano and yours truly are among the selected Rotarians. With the working committee formed, I am positively sure that District Conference will run smoothly and successfully. And, the participation of every Clubs and Rotarians of District 3800 will be a big factor in the success. As early as now, I am appealing to all our members to support and participate especially with the Talent Night. As the mother and lead club of zone 4, all the 15 clubs are looking up on us. Their encouragement and enthusiasm will depend on what they see with our club. I am encouraging everyone especially the young members of our club to whole heartedly participate.

Our Christmas Party is just a week away. Chairman PP KikoPe Benito and Co-Chairman Dir. Manny Pecho have made a lot of preparations already. Everything is all set and I hope the 3 groups are very much ready with their presentations. Let us bear in mind that these presentations are just for fellowship and fun for everyone to enjoy. Win or lose does not matter. What is important is we all had a great time with the company of each and every one of us with our families. Hope to see you all next week!

Our Christmas Gift Giving/Caroling will be held on Dec. 20, 2014 for around 30 families in 5 depressed areas in Marikina, Chairman PP Joe Judan will discuss the details and will be inviting you to join and share in the spirit of Christmas.

Just a reminder, the second semester of our Rotary year will start on January 2015. Rotary International will implement a new club invoice. I will ask PP Dindo Santos to explain, during the Rotary Information, details about the new method of paying our semiannual dues by January 2015, the Rotary Awareness Month. I am also encouraging all to settle as early as now the second semester dues. It will help a lot in running our club and service projects for next year. Thank you very much for those who have already settled their second semester dues.

IN THE BEGINNING...

- Sergeant-at-arms
- Board members (to be determined by the club)
- Club committee chairs

Club president

Each year, Rotary clubs elect one member to serve as club president. A club president leads and guides a club to ensure that it functions effectively.

The year before becoming president, the president-elect prepares for the responsibilities of the office.

- Begins planning for the presidential year

All incoming club presidents must attend a presidents-elect training seminar (PETS) before taking office. During this seminar, incoming presidents learn about Rotary, as well as their role and responsibilities.

Presidents-elect are encouraged to read the Club President's Manual (PDF) before PETS so they'll be prepared to discuss their duties and goals for the coming year.

Club presidents-elect receive additional training at the district assembly.

Vice-president

A club vice-president presides at meetings of the club and the board in the absence of the president.

Secretary

Basics of Photography: Composition and Technique

77 photography techniques, tips and tricks for taking pictures of anything

Portrait photography technique 01: focus on the eyes

While eye contact is not always desirable in a portrait, sharp eyes certainly are. [Manually select an AF point that's positioned over one of your model's eyes](#), or use the central focus point to lock focus on their eye.

Then, with the shutter release half-pressed to keep the setting locked, recompose your picture before taking the shot.

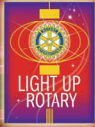

Portrait photography technique 02: using a standard or telephoto lens

Wide-angle lenses are a great choice for photographing environmental portraits, where you want to show a person within a specific context. However, [wide-angle lenses used close-up will distort facial features](#) and create unflattering pictures.

[A better choice for portraits is either a standard lens](#) or a short telephoto lens. The classic portrait focal lengths for a full-frame camera are 50mm, 85mm prime lenses and a 70-200mm zoom.

These will help to compress features and provide a more natural-looking result.
