THE ROTARY PLEDGE

I do solemnly promise to help advance the object of Rotary, comply with the constitution and by-laws of Rotary International and the Rotary Club of Marikina, ever putting into practice Rotary's Motto: "SERVICE ABOVE SELF."

THE FOUR WAY TEST

Of things we think, say or do:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and better FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

PRAYER

Our Father in heaven, we humble ourselves under Your mighty hand that You may exalt us at the proper time.

Clothe us with humility toward one another, for You are opposed to the proud but gives grace to the humble. The end of all things is at hand, therefore, help us Lord to be of sound judgment and to be sober spirit for the purpose of prayer. And to keep us fervent in our love for one another. As each of one received a special good stewards of the manifold grace of God. May God be glorified in all things through Jesus Christ to whom belongs, the glory and dominion forever and ever. AMEN.

IN THE BEGINNING...

Sec. Val A. Barcinal

2015 New Year of Rotary Club of Marikina

To begin the New Year blessed by the presence of God is to hold on to hope, courage and trust even when we might be inclined to fret, fear or be anxious about the future. Our resolutions to change or do better are born out of the conviction that a fresh start is always possible and that conversion is achievable and good for us. Faith in God's presence enables us to say: 2015 will be a better year. With the Lord's face shining upon us in 2015 we can be more present to each moment, each person, every cry for help, every gifted opportunity that awaits us; every day, every hour, every moment can be truly blessed by the love and presence of God.

The year that past was very challenging for our club. We expect another challenging year ahead. But just like all Filipinos, we are generally optimistic something will come out right in this final stretch of President Dodjie's term. Let us welcome 2015 with the best of hope. There are still difficult task ahead of us as you have read in the schedule President Dodjie had prepared for us. I am sure he cannot do this alone.

Now is the time to support President Dodjie. He deserves all our supports and prayers that he will deliver and succeed in this last stretch of his leadership. His failure is our failure. We cannot let that happen to the most outstanding club of the District. We are always proud of our club, whether we have a good leader or a bad leader. Now is the time to give our full support to our President. And here are what we can do:

Pay our dues on time, there is a p500 discount to those who can pay before January 30

Attend the meeting regularly to boost our attendance

Recruit at least one member

Give to the TRF, at least \$100 each

Attend and support all our upcoming projects.

Don't do this for your President. Do this our club. Do this wholeheartedly because we are an outstanding club and we are proud of our club.

Genuine success comes only to those who are ready for it. So never step back and always have courage to accept new challenges. Wishing you a very happy new year 2015. Along with all the new hopes and promises that the New Year would bring Hope it also brings us a lot more opportunities to work together.

Happy New Year to all.

77 photography techniques, tips and tricks for taking pictures of anything

Portrait photography technique 08: shooting in burst mode

Whether you're taking a child's portrait or a group portrait, set your camera in its fastest drive setting. You don't need to machine gun the shutter release, but shooting in short bursts will ensure you capture a fleeting range of expressions.

It also improves your chances of getting a shot where everyone's eyes are open in a group portrait.

Even if you don't capture everyone's eyes open or their beaming smiles, having a range of shots taken fractions of a second apart means you can easily [swap faces in Photoshop](#).

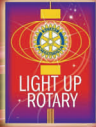

Portrait photography technique 09: posing group portraits

When you're arranging a group portrait, the first thing you'll probably consider is height, putting taller people at the back and shorter people at the front.

However, keep a close eye on clothing too. [It's easy to miss clashing colors](#) while you're focusing on everyone's height, and that will be more noticeable in the final picture.

To ensure everyone appears sharp, you need to use an aperture of at least f/8 with a wide-angle lens. But if you're taking an indoor group portrait, [you'll need to use a high ISO in order to shoot at that aperture](#) and get sharp handheld photos.

Photos may end up full of noise, and even then [the shutter speed may not be fast enough for sharp images](#). A trick here is to arrange everyone in a line along the same focal plane, then the aperture doesn't have to be so narrow.
