THE ROTARY PLEDGE

I do solemnly promise to help advance the object of Rotary, comply with the constitution and by-laws of Rotary International and the Rotary Club of Marikina, ever putting into practice Rotary's Motto: "SERVICE ABOVE SELF."

THE FOUR WAY TEST

Of things we think, say or do:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and better FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

PRAYER

We glorify You oh Lord for You are great and mighty. We acknowledge Your overwhelming goodness and faithfulness, we praise You and we adore You.

God, our Father in Heaven as we gathered here again in humility and contrite hearts we seek your forgiveness for all our transgression, our ineptitude, our unfaithfulness have mercy on us. O Lord, forgive us and teach us to forgive those who sinned against us. Help us carry out our duty as Your servants.

*Teach us to love unselfishly and to find great joy in giving. Enable all true lovers to bring out the best in each other in God and in God in each other. All these we ask in the name of Your Son Jesus our Lord.
Amen.*

Happy Blessed Birthday!

GOLDEN PRESIDENT

Pres. Jaime N. Cabalquinto

Our club again has shown our support to the district during the District Training Assembly (DISTAS 2015) last weekend, April 25-26, 2015, at Camp John Hay Convention Center, Baguio City. At least twenty one (21) Rotarians from our club registered and attended the two days event. Several went up as early as April 24 to play at the District Golf Tournament. Our members with their families stayed at Forest Lodge, Manor Hotel, and Teacher's Camp were in the evening we had a night of videoke and fellowship. After the closing of the plenary on Sunday April 26, many went around Baguio City to buy pasalubong and to do site seeing before heading back to Manila. Some of us stayed for another night and had a very unforgettable and fun filled fellowship at Songs Videoke Bar, Baguio Crown Legacy Hotel.

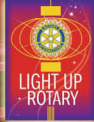

Last week's meeting we inducted the officers of our 3rd RCC, the Rotary Community Corps of Malanday. The formation of this RCC was through the effort of our RCC Chairman Dir. Joey Ramos and Baby Rtn. Rogel Santiago. A very promising Rotary Community Corps, with 25 members willing to assist and help us with all our concerns to our adopted Barangay, Bgy. Malanday.

Today, April 30, 2015, we will be inducting our 73rd member of our club. PSSUPT/Col. Vincent S. Calanoga is the Chief of Police of Marikina. He is married to Alexa Cristie Calanoga and they have 5 children. He lives at Gen. Ordonez St., Marikina Heights, Marikina City. It is an honor to have among us a law enforcer dedicated to his profession with high moral standard. Congratulations in advance to Baby Rotarian Vincent S. Calanoga and to his sponsor Rotarian Rogel Santiago!

On May 10, 2015, Sunday, We will be having our family outing at Bosay Resort, Antipolo City from 8am to 5pm. Chairman Manny Pecho has divided us into 5 groups and gave food assignment per group. These groupings will also serve as the team for all games the committee has prepared for us. See you all with your family and lets enjoy the company of each and every one.

This coming Monday, May 4, 2015 at 7pm will be the 11th Board Meeting. I'm requesting all the members of the Board of Directors to be present and come on time. Important matters will be discussed.

Lastly, I would like to remind those who have forgotten to settle their dues to please update them with our Club Secretariat Jean Josef. Thank you.

MAGAZINE MONTH

... *Continuation from last week*

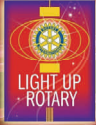

Today there are 30 regional Rotary magazines that are produced independently by Rotarians, and distributed in more than 130 countries and published in 24 languages. The combined circulation for these 30 regional Rotary magazines exceeds 750,000, which represent more than half of all Rotarians worldwide. Each regional magazine editorials reflect local culture and issues, but also includes international articles, and photographs from *The Rotarian* that are required by Rotary International.

Rotary International also publishes *Rotary Canada*, a quarterly publication with a circulation of 28,000, and serves as a supplement to *The Rotarian*.

The Rotarian is the official English language magazine and is published at Rotary International World Headquarters in Evanston, Illinois, and has a monthly circulation of more than 500,000. The subscription for *The Rotarian* is paid with our semi-annual dues to Rotary International in the amount of \$1.00 per month. The mailing label on each magazine contains not only the name and address of the recipient, but also their Rotary ID number. This is the same ID number used when making contributions to The Rotary Foundation.

So the next time you receive *The Rotarian* magazine in the mail, sit back, relax, and enjoy a good read. Then share the information with your club members and encourage them all to enjoy a beautifully produced, and informative Rotary magazine that is steeped in the rich history of Rotary.

DIGITALLY YOURS

Dir. Joey C. Ramos II

77 photography techniques, tips and tricks for taking pictures of anything

Landscape photography technique 08: black and white landscapes

If you want to take great black and white landscape photos, shoot in colour. By using your digital camera's raw picture quality setting rather than JPEG, you'll record a colour image that you can convert to black and white later in [photo editing software such as Lightroom](#) or Photoshop.

Doing it this way means that you have full control

over the black and white conversion, such as using dodging and burning techniques to make specific areas of the photo brighter or darker, [split-toning the image](#) or adding a colour-popping effect.

Even though you're [shooting in raw format](#), select the Monochrome picture style on your DSLR. This will give you a useful black and white preview of the image on the rear screen, even though you're recording a colour image.

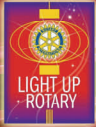

Landscape photography technique 09: panoramas

Instead of using an ultra-wide angle lens to try and squeeze an entire view into a single frame, why not try shooting a panoramic landscape photo instead?

To build a panorama, first take a series of overlapping shots with the camera positioned vertically – this will give you much larger panoramic image than if you use the camera horizontally.

Although specialist panoramic tripod heads are available, they're not always necessary, particularly if you're using software that stitches a panorama automatically. The latest version of Photoshop's Photomerge app is particularly adept at this process.

When you take the pictures that will be combined to make the panorama, use manual settings – manual exposure, [manual focus](#) and a manual white balance preset – to ensure consistency across every picture.
