Master of Ceremonies

THE ROTARY PLEDGE

I do solemnly promise to help advance the object of Rotary, comply with the constitution and by-laws of Rotary International and the Rotary Club of Marikina, ever putting into practice Rotary’s Motto: “SERVICE ABOVE SELF.”

THE FOUR WAY TEST

Of things we think, say or do:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and better FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

PRAYER

God our Father, You are awesome and worthy of all praises.

If we find ourselves in difficult circumstances, Your words offers the surprising instruction to count it all, knowing that the testing of our faith produces patience. We seek You Father for wisdom that we might know how to respond properly to our trials, sorrow, and pain.

And let our confidence grow by trusting and obeying our Lord and His Word. Give us the faith of a little child—a faith that will look to You that never will falter and never fail but follow You trustingly. As we live by faith and do what the Bible clearly tells us to do, we can be sure that You will lead us through the difficult decision and give us victory. In everything we give thanks; for this is the will of God in Christ Jesus.

Amen.

GOLDEN PRESIDENT

Pres. Jaime N. Cabalquinto

We have less than a month before the end of the Best Class Rotary Year and we still have a line of activities. Last Sunday May 31, 2015 our newly organized RCC Malanday invited Rtn. Tops Rodriguez, Rtn. Rogel Santiago and Myself to their Strategic planning and Officers meeting. They presented several projects on livelihood, medical mission and fund raising activities. They intend to start their livelihood project this month of June and the medical mission by August. It seems that our RCC Malanday are in a good start with high motivation and determination. They were well "Rotarized" by RCC Chairman Joey Ramos and Rtn. Rogel Santiago. Congratulations to you both!

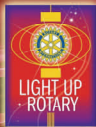

Last Saturday, May 30, 2015, PE Willie Reyes, PN Chris Merino, AG Dante Verano, PP Benjie Malaya, Idir Jessie Cruz, Idir. Roman Villame and I attended the District Grant Seminar held at the Valle Verde Country Club. The seminar was very informative and will really help our club in our application for Global and District Grants especially we have a on-going application for the donation of ambulance to the Marikina Red Cross Chapter.

Last weekly meeting, District TRF Chairman CP Manny Reyes attended our meeting to recognize and pin PDG Efren de Guzman his Major Donor level two. PDG Efren de Guzman is one of the highest TRF contributors of our club. His generosity shows his leadership by example. Kudos to PDG Efren de Guzman!

Today, we will be having the part two presentation of World Class President Willie Reyes and his Board of Directors on their plans and programs for the next Rotary Year. Last week PE Willie presented an overview of what the RI and the District thrust is all about. Now, He will presenting his Club plans and Program based on the RI and District Thrusts. Good Luck and all the Best to the World Class Team!

In line with the RI thrust and District Thrust on increase in membership, next week we will be inducting our 5th newest baby Rotarian. Our prospective member is an Ophthalmologist by profession. He has been helping us from the very beginning of the Rotary Year. He extended his free services in our entire medical mission: 8 Kalusugan Medical Mission. Dr. He Reginald E. Roxas is a good friend and a colleague of our incoming secretary Dr. Joel Relleve. I'm very sure he will be an asset and a very promising member of our club.

The current and incoming Board of Directors had its joint meeting last Monday, June 1, 2015. It was discussed and decided unanimously that our club will undergo a "fine tuning". A special committee on membership was formed and will evaluate the status of all the members especially those who are inactive and delinquent with their obligations. The committee already sent letters to some of our members. Three succeeding notices or letters will be given and if no response was received then a notice of termination will be issued. It is the intention of the Board to be fair and just to all the members of our club. Rests assure that all decisions will be guided by the Four Way Test. It is for the best of our club and the well-being of each and every member of RC Marikina. Hope you are guided accordingly. Thank you very much!

13 Ways Emotionally Intelligent People Deal with Difficult People (part 2)

7. They focus on their joys

Emotionally intelligent people are happy and they love to stay happy at what they do. They derive their satisfaction and happiness from within rather than from the external opinion of people.

8. They get a deserved rest

Getting the right kind of sleep tends to recharge an emotionally intelligent person. They relax and get the needed rest to reduce their stress level to keep them positive, creative and proactive for the next day.

9. They cling to like-minded people for support

Dealing with difficult people alone may not be the best solution. Emotionally intelligent people forge a support system with those who they admire and who can support them through difficult situations. This is why people like Warren Buffet and Bill Gates or like-minded people remain friends.

10. They stay above difficult situations

Emotionally intelligent people do not get involved in emotional brouhahas with difficult people. Rather they stare at the facts and numbers. They do not focus on the things they cannot control, but rather on the things they can control.

11. They can forgive

They distance themselves from mistakes and do so to adapt and adjust their selves for future success. Forgiving doesn't mean forgetting though, yet they do understand the benefits of letting go and defining a path for things they have to accomplish in the future.

12. They disconnect

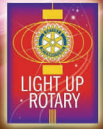

Emotionally intelligent people sometimes have to refrain from activities related to work to get away from their stressors. They want to get the best out of themselves and thus they offer their selves time to recharge and get away from negative or difficult situations.

13. They limit caffeine intake

Caffeine intake tends to trigger the release of adrenaline in the body. Adrenaline remains a source of a fight-flight response. Because they want to be able to manage their emotions they do well to reduce their caffeine intake so that they do not have to respond fiercely to a comment from a difficult person.

ROTARY INFORMATION

PP Dindo Ferdinand C. Santos

JUNE - ROTARY FELLOWSHIP MONTH

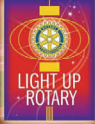

June is designated Rotary Fellowships Month to recognize the importance of international fellowship and goodwill among Rotarians with similar recreational and vocational interests, promote increased participation in fellowships, and increase understanding of this program. The RI Board encourages these groups to celebrate Rotary Fellowships Month through projects, activities, and events. (RCP42.010.9.). MOP 2013.

What are the benefits for Rotarians in joining the Rotary Fellowships? Fellowship provides opportunities for Rotarians to make lasting friendships outside their own Club, District or country. There are many Fellowships that would be of interest to our members, and they are detailed on www.rotary.org/fellowships. You may find many extensive activities of the Rotary Fellowships that your profession, business or industry area has already established. If not, why not think about starting one yourself! Fellowships contribute to the advancement of world understanding and peace. Interested Rotarians can join a Rotary Fellowship by clicking: Rotary Fellowships Handbook (729) or even start a prospective Rotary Fellowship if their recreational or vocational interest is not in the list of approved Rotary Fellowships. The Rotary Fellowships are expected to facilitate communication among their members and maintain regular communication with RI.

The month of June is considered as Rotary Fellowship Month in the Rotary calendar. There is a misconception among Rotarians on what aspect of the RI programs is being celebrated for this month of June. Let us clarify the issue. When we talk about "Rotary Fellowships", we actually refer to the groups of Rotarians, Rotarian spouses and Rotaractors who join together to:

- Share a common interest in worthwhile recreational activities (sports, hobbies, etc.);
- Further their vocational development through acquaintance with others of the same profession;
- Make new friends around the world;
- Explore new opportunities for service; and
- Have fun and enhance their experience in Rotary.

To be continued next week...

MACRO PHOTOGRAPHY TECHNIQUES, TIPS AND TRICKS

Learn how to choose the best lens, focus for close-up photos and get to grips with depth of field

Macro photography technique 03: using depth of field preview

The image you see through an optical viewfinder is always shown at the largest aperture available on the lens. Although this gives the brightest available picture, it makes it impossible to judge the depth of field at smaller aperture settings.

To be able to see what will look sharp and what will look blurred, press your camera's depth of field preview button.

This will stop down the lens to what's known as the working aperture. The image will get darker, so you'll need to let your eyes become accustomed to the change.

Depth of field preview also works in Live View. When combined with the [Live View magnification control that allows you to zoom in and check focus on specific areas of the image](#), it becomes even more useful than checking DOF through the viewfinder.
